Subject: Appointment for post of 'Software Engineer'

Dear Mr. Katakam Sakethram,

We are pleased to offer you, the position of 'Software Engineer' with 'Doloxe India Private Limited' '(DIPL)' on the following terms and conditions:

1. Commencement of employment

Your employment will be effective as of **01, May, 2026**

2. Job title

Your job title will be 'Software Engineer', and you will report to Hemant Reddy Kethu.

3. Salary

Your Cost to the Company (CTC) is **₹2.8 LPA (₹2,80,000 annually)**

Your salary and other benefits will be as set out in Schedule 1, hereto.

4. Place of posting

You will be posted at Hyderabad, Telangana. You may however be required to work at any place of business which the Company has or may later acquire.

5. Hours of Work

The normal working days are Monday through Friday. You will be required to work for such hours as necessary for the proper discharge of your duties to the Company. The normal working hours are from 10AM to 7PM and you are expected to work not less than 40 hours each week, and if necessary for additional hours depending on your responsibilities.

6. Leave/Holidays

- 6.1 You are entitled to casual leave of 18 days.
- 6.2 You are entitled to 6 working days of paid sick leave.
- 6.3 The Company shall notify a list of declared holidays at the beginning of each year.

7. Nature of duties

You will perform to the best of your ability all the duties as are inherent in your post and such additional duties as the company may call upon you to perform, from time to time. Your specific duties are set out in Schedule II hereto.

8. Company property

You will always maintain in good condition Company property, which may be entrusted to you for official use during the course of your employment and shall return all such property to the Company prior to relinquishment of your charge, failing which the cost of the same will be recovered from you by the Company.

9. Borrowing/accepting gifts

You will not borrow or accept any money, gift, reward or compensation for your personal gains from or otherwise place yourself under pecuniary obligation to any person/client with whom you may be having official dealings.

10. Termination

10.1 Your appointment can be terminated by the Company, without any reason, by giving you not less than two months' prior notice in writing or salary in lieu thereof. For this clause, salary shall mean basic salary.

10.2 You may terminate your employment with the Company, without any cause, by giving no less than two months' prior notice or salary for unsaved periods, left after adjustment of pending leaves, as on date.

10.3 The Company reserves the right to terminate your employment summarily without any notice period or termination payment, if it has reasonable grounds to believe you are guilty of misconduct or negligence, or have committed any fundamental breach of contract or caused any loss to the Company.

10.4 On the termination of your employment for whatever reason, you will return to the Company all property; documents and paper, both original and copies thereof, including any samples, literature, contracts, records, lists, drawings, blueprints, letters, notes, data and the like; and Confidential Information, in your possession or under your control relating to your employment or to clients' business affairs.

11. Confidential Information

11.1 During your employment with the Company you will devote your whole time, attention and skill to the best of your ability for your business. You shall not, directly or indirectly, engage or associate yourself with, relate to, concerned, employed or engaged in any other business or activities or any other post or work part time or pursue any course of study whatsoever, without the prior permission of the Company.

11.2 You must always maintain the highest degree of confidentiality and keep as confidential the records, documents and other Confidential Information relating to the business of the Company which may be known to you or confided in you by any means and you will use such records, documents and information only in a duly authorized manner in the interest of the Company. For the purposes of this clause

'Confidential Information' means information about the Company's business and that of its customers which is not available to the general public and which may be learnt by you in the course of your employment. This includes, but is not limited to, information relating to the organization, its customer lists, employment policies, personnel, and information about the Company's products, processes including ideas, concepts, projections,

technology, manuals, drawing, designs, specifications, and all papers, resumes, records and other documents containing such Confidential Information.

11.3 At no time, will you remove any Confidential Information from the office without permission.

11.4 Your duty to safeguard and not disclose Confidential Information will survive the expiration or termination of this Agreement and/or your employment with the Company.

11.5 Breach of the conditions of this clause will render you liable to summary dismissal under clause above in addition to any other remedy the Company may have against you in law.

12. Notices

Notices may be given by you to the Company at its registered office address. Notices may be given by the Company to you at the address intimated by you in the official records.

13. Applicability of Company Policy

The Company shall be entitled to make policy declarations from time to time pertaining to matters like leave entitlement, maternity leave, employees' benefits, working hours, transfer policies, etc., and may alter the same from time to time at its sole discretion. All such policy decisions of the Company shall be binding on you and shall override this Agreement to that extent.

14. Governing Law/Jurisdiction

Your employment with the Company is subject to Indian laws. All disputes shall be subject to the jurisdiction of High Court, Telangana only.

15. Acceptance of our offer

Please confirm your acceptance of this Contract of Employment by signing and returning the duplicate copy.

We welcome you and look forward to receiving your acceptance and to working with you.

Best Regards,

Mrs. Radhika

Talent Acquisition Manager

Date: 31-Apr-2026

Schedule II – Employee Duties & Responsibilities

Position: Software Engineer

The Employee shall perform the following duties and responsibilities, including but not limited to:

1. Software Development

- Design, develop, test, and maintain scalable software applications using **Python**, **HTML**, **CSS**, and modern programming frameworks.
- Write clean, efficient, and well-documented code following industry best practices.
- Participate in full software development lifecycle (SDLC), including requirement analysis, design, development, testing, deployment, and maintenance.

2. Front-End Development

- Develop responsive and user-friendly web interfaces using **HTML**, **CSS**, and **React.js**.
- Ensure cross-browser compatibility and optimize applications for maximum speed and scalability.
- Collaborate with UI/UX designers to translate designs into high-quality code.

3. Back-End Development

- Build and maintain server-side logic, APIs, and database integrations using **Python frameworks (e.g., Django, Flask, FastAPI)**.
- Ensure application performance, security, and data protection.
- Integrate third-party services, APIs, and cloud-based solutions where required.

4. AI / Machine Learning Implementation

- Develop, implement, and optimize **AI/ML models and algorithms** for business use cases.

- Perform data preprocessing, feature engineering, model training, evaluation, and deployment.
- Work with data pipelines and integrate ML models into production systems.

5. Full-Stack Integration

- Work across both front-end and back-end components to ensure seamless system integration.
- Debug, troubleshoot, and resolve technical issues across the stack.
- Maintain version control using tools like Git and follow CI/CD practices.

6. Collaboration & Agile Practices

- Collaborate with cross-functional teams including product managers, designers, and QA engineers.
- Participate in agile ceremonies such as sprint planning, stand-ups, and retrospectives.
- Provide technical insights and contribute to continuous improvement of development processes.

7. Quality Assurance & Documentation

- Conduct code reviews, write unit/integration tests, and ensure high-quality deliverables.
- Maintain technical documentation for code, APIs, and system architecture.

8. Security & Compliance

- Follow secure coding practices and ensure compliance with data protection regulations.
- Identify and mitigate security vulnerabilities in applications.

9. Learning & Development

- Stay updated with emerging technologies in **software development, AI/ML, and web frameworks**.
- Continuously improving technical skills and contribute to innovation within the organization.

General Clause

The Employee may be assigned additional responsibilities from time to time based on business requirements, skill set, and organizational needs.
